Dear members,

The club is in need of your support!!!

The club member support for our Wednesday pasta nights, Sunday breakfast and Saturday lunches is very low. For our club to survive we need members to support our club events. We are a small club in membership so it takes all of our members to make this club thrive. We can't have the same small amount of members attend and volunteer for club events. We need everyone!

If there is any reason why you don't like to come to pasta night or any other event then please come talk to me and we'll try to fix this.

George Mattis

President
